## Upcoming ArtWalk Dates

**July 10, 2010 • Aug. 28, 2010 • Oct. 9, 2010**

For over 20 years, Galveston Arts has hosted ArtWalk approximately every six weeks in the heart of the historic downtown district. Not a street festival, ArtWalk is coordinated evening of opening receptions and art-related events that are hosted in existing commercial galleries, non-profit arts spaces and "other walls"—retail stores and restaurants. One of GAC's largest programs, ArtWalk promotes the visual arts and supports our arts-based community, offering alternative places to see, purchase and learn about art.
