More than 250,000 people attend Mardi Gras! Galveston each year to experience the party of a lifetime as the island comes alive with extravagant parades, lavish galas and festive events including bead throwing. One of the most popular events in Texas, Mardi Gras is rich in history, celebration and people watching. This year's festivities will take place February 10-24. Galveston artist Carolyn Vieau will help you put your best face forward in decorating your own custom mask. If you are planning to be a part of the Funky Uptown Umbrella Brigade, bring your umbrella to decorate as well! This workshop has been made possible through a generous donation in memory of Becky Zobal.
